Subject:	Monday Motivation: Brian Tracy's Training Videos for Business & Personal Success

LearnOutLoud.com

Free Resource - February 4th, 2012

Free Resource of the Day

Personal Success Training Videos

Business Success Training Videos

Financial Success Training Videos

Leadership Development Training Videos

Sales Success Training Videos

Brian Tracy is a prolific author on personal and business success, especially on the formats of audio & video. On our site we now have over 120 titles on the **Brian Tracy Author Page**. Brian Tracy has a YouTube channel and on it he has assembled some large playlists for videos he has created in different categories. We posted 5 of these playlists to our site on: Personal Success Training, Business Success Training, Sales Success Training, Leadership Development Training, and Financial Success Training. On each playlist you'll find dozens of videos usually ranging from 2-5 minutes on a specific training topic. The Personal Success Training playlist is the largest with over 100 videos lasting over 6 hours in total. In most of the videos Brian Tracy talks directly to you with his expert advice on personal and business success!

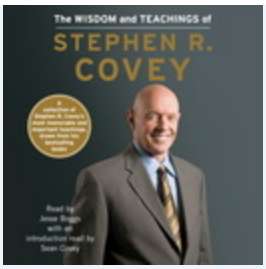
Also we'll give you until Friday to still download our free audio book from the month January:

Think and Grow Rich by Napoleon Hill (Unabridged)

Deal of the Day

Dr. Stephen R. Covey passed away last year at the age of 79. He was the author of **The 7 Habits of Highly Effective People** and many other bestselling books. Simon & Schuster has recently released this new collection of Covey's wisdom taken from his many books and teachings.



The Wisdom and Teachings of Stephen R. Covey

This commemorative collection captures the essence of Dr. Stephen R. Covey's most profound teachings on business, success, management, family, and love.

After Dr. Covey passed away on July 16, 2012, there was an outpouring of emotion for the loss of one of the world's great thinkers on success and leadership. His insightful, straightforward advice has given guidance to millions of people from all walks of life, demonstrating how each of us can control our own destiny. Among his many best-selling books are The 7 Habits of Highly Effective People, The 8th Habit, Principle-Centered Leadership, and First Things First, all of which left a legacy unmatched in its motivational thrust.

As inspiring for the countless people who were moved by his thinking as well as those unfamiliar with his work, The Wisdom and Teachings of Stephen R. Covey is a beautifully packaged commemorative edition and compilation of his most inspiring words.

Brian Tracy is one of the world's most visible authors on success in the business world and in the personal development sphere. He speaks all over the world and is well known for his ability to not only inform audiences, but inspire them as well. Originally from Canada, Tracy had an early belief in controlling his own destiny.

After briefly operating a successful development company, and working succesfully in sales, marketing, investments, and real estate among other pursuits, Tracy formed Brian Tracy International. It is with this company that Tracy became internationally respected within the business world as an authority on leadership, management, creativity, and a myriad of other related topics.

His seminars have been embraced all over the world and the audio and video programs that they have spawned have led to an even wider audience. LearnOutLoud.com features everything available from Brian Tracy on audio and video formats and it is with these programs that you will gain insight from Tracy's 25+ year experience in the business world.
